Work Experience

Please state what you hope to achieve from this work experience:

I INTEND TO HAVE A CAREER IN SOMETHING LIKE FORENSIC SCIENCE. SO THE GENETICS RE PLACEMENT WOULD PROBABLY GIVE ME SOME EXPERIENCE FOR MY FUTURE CAREER.

Career Choices

What future career are you considering? (If undecided please say so, but tell us your ideas). Are you thinking of going to University. What AS/A levels do you plan to study (if you have not already started)?

I KINDA MENTIONED IT ABOVE BUT, FORENSIC SCIENCE AND YES I AM HOPING TO GO TO UNIVERSITY, AS LONG AS I GET THE GRADES I NEED

ICT Skills

Please mention any ICT skills and experience you have:

I DONE A GCSE COURSE. I HAVE GOOD KEYBOARD SKILLS, AND CAN RUN MOST PROGRAMS

Interests, Leisure Activities and Achievements

I FIND SCIENCE INTERESTING, I PLAY A LOT OF FOOTBALL AND OTHER SPORTS. I HAVE LOTS OF FRIENDS WHICH I DO VARIOUS ACTIVITIES WITH. I HAVE MANY ACHIEVEMENT AWARDS FROM SCHOOL FOR EFFORT AND ACHIEVEMENT

I believe the particulars given above to be correct.

Work Experience

Please state what you hope to achieve from this work experience:

From this work experience, I would like to find out what it's like to work in a scientific environment and hopefully to confirm my ambition to go into the medical field.

Nevertheless, any work experience is good for the future as it helps to gain independence and confidence and builds up character.

Career Choices

What future career are you considering? (If undecided please say so, but tell us your ideas). Are you thinking of going to University? What AS/A levels do you plan to study (if you have not already started)?

I am very determined to pursue a career as a doctor, and so I am hoping to go to medical school after I have completed my A-levels. As I do not take A-level Chemistry, this work experience might also help me in my university/ Medical School application to complete a foundation course in medicine.

ICT skills

Please mention any ICT skills and experience you have:

Basic ICT skills

Interests, Leisure Activities and Achievements

Interests - Sports, music, socialising

Achievements - 2004 Best GCSE Double Science grade at School

I believe the particulars given above to be correct.

Work Experience

Please state what you hope to achieve from this work experience:

I HOPE TO GAIN A VALUABLE INSIGHT INTO SCIENTIFIC RESEARCH AND DEVELOPMENT, WHICH HAS LONG FASCINATED ME. SINCE I WOULD LIKE TO WORK IN THIS WIDE-RANGING FIELD IN THE FUTURE, THIS EXPERIENCE IN ONE OF THE WORLD'S LEADING PHARMACEUTICAL COMPANIES WOULD BE EXTREMELY INTERESTING, USEFUL AND WORTHWILE TO ME.

Career Choices

What future career are you considering? (If undecided please say so, but tell us your ideas). Are you thinking of going to University. What AS/A levels do you plan to study (if you have not already started)?

I AM HOPING FOR A CAREER IN SCIENTIFIC RESEARCH, QUITE POSSIBLY IN THE THE PHARMACEUTICAL INDUSTRY, OR IN ONE OF THE OTHER APPLICATIONS OF THE AREAS OF SCIENCE RELEVANT TO IT. I INTEND TO GO TO UNIVERSITY, AND AM PARTICULARLY INTERESTED IN THE FIELDS OF GENETICS AND MICROBIOLOGY.

ICT Skills

Please mention any ICT skills and experience you have:

DURING THE ICT GCSE COURSE, I GAINED EXPERIENCE IN MAJOR MICROSOFT OFFICE APPLICATIONS, PARTICULARLY WORD AND EXCEL, AND I USE THESE PROGRAMS REGULARLY IN MANY AREAS OF MY SCHOOLWORK.

Interests, Leisure Activities and Achievements

I AM A KEEN FENCER AND REPRESENTED MY AREA IN THE LONDON YOUTH GAMES 2002, WHEN WE WON GOLD, AND IN 2004. I ENJOY MUSIC, COMPUTER GAMES, GOING OUT WITH FRIENDS AND READING NOVELS + NEW SCIENTIST MAGAZINE, AND I AM INTERESTED IN POLITICS. I ATTAINED MEMBERSHIP OF NATIONAL ACADEMY OF GIFTED TALENTED YOUTH, ONE OF TOP 5 MARKS NATIONALLY IN EACH OF PHYSICS AND CHEMISTRY GCSE, 4 SCHOOL PRIZES INCLUDING YEAR 11 MATHS, MERIT IN INTERMEDIATE MATHS OLYMPIAD AND KANGAROO 2004, FOUNDATION LEVEL YOUNG DEBATER AWARD, LPTS SENIOR FENCING REFEREE QUALIFICATION.

I believe the particulars given above to be correct.

Work Experience

Please state what you hope to achieve from this work experience:

I hope to discover what it would be like working to identify what certain genes do and which illnesses are caused by which genes. I also hope to become familiar with some of the equipment and techniques used to do research. I think that it would also help me to decide on which biological sciences degree to apply for at university as there are so many areas I am interested in, but Genetics has the more appeal to me at the moment.

Career Choices

What future career are you considering? (If undecided please say so, but tell us your ideas). Are you thinking of going to University. What AS/A levels do you plan to study (if you have not already started)?

At the moment, I am seriously considering a career in Genetics after university. I would have liked to have worked on the Human Genome Project but as this has mainly finished now I would like to do some more research on identifying the functions of certain genes.

ICT Skills

Please mention any ICT skills and experience you have:

I gained an A grade at ICT GCSE and I find computers easy to use and am familiar with programs such as Photoshop, Microsoft Excel, Microsoft Publisher and Microsoft PowerPoint. I have successfully designed posters, business cards and illustrated labels for charity fund raising.

Interests, Leisure Activities and Achievements

- I enjoy dingy sailing and hold a HSSCA gold award. I have also instructed novices of 11-12 years old in sailing.
- I have helped out at my local primary school in nursery and reception classes for the last 3 years (when I was at a different school with shorter terms).
- I have sung in school choirs for the last 5 years and hold Grade 3 in singing and Grade 4 in violin.

I believe the particulars given above to be correct.

What is your general state of health?

Healthy

Work Experience

Please state what you hope to achieve from this work experience:

A greater understanding of scientific genetics and the processes involved in the laboratories
An application of skills in a scientific field in order to follow on through to university

Career Choices

What future career are you considering? (If undecided please say so, but tell us your ideas). Are you thinking of going to University? What AS/A levels do you plan to study (if you have not already started)?

Planning on University for Maths and Physics. Hope to continue through to a scientific career.

ICT skills

Please mention any ICT skills and experience you have:

Work experience in a local council's ICT department.
AS/A2 ICT course.

Interests, Leisure Activities and Achievements

Tennis,
Space,
Scientific theories

I believe the particulars given above to be correct.

Work Experience

Please state what you hope to achieve from this work experience:

I hope to gain an appreciation of the role of the genetic scientist in industry. I hope that my experience will help me finalise my career options and that I will make a small contribution to the work in the selected department.

Career Choices

What future career are you considering? (If undecided please say so, but tell us your ideas). Are you thinking of going to University? What AS/A levels do you plan to study (if you have not already started)?

I am definitely hoping to make a career in science and am currently seriously considering one in medical science. Specific areas of interest are genetics and forensic science. I intend to go to university and hope that I can gain some good advice on courses from BSc scientists.

ICT skills

Please mention any ICT skills and experience you have:

I am competent in most of the Microsoft products: Word, Excel etc. I have my own laptop and am very familiar with the internet. I have designed and coded various websites.

Interests, Leisure Activities and Achievements

- Captain of house swimming team
- Green belt in Tae Kwon-Do
- Member of the Royal Institute (CB)
- Achieved DUE of Edinburgh bronze award national level cross country (working towards Gold at present)
- Qualified First Aider
- Achieved classics prize from New College, Oxford (2004)
- Represented my country at under 13

I believe the particulars given above to be correct.

Work Experience

Please state what you hope to achieve from this work experience:

I hope to gain further understanding of biology
within a working environment

Career Choices

What future career are you considering? (If undecided please say so, but tell us your ideas). Are you thinking of going to University? What AS/A levels do you plan to study (if you have not already started)?

Future career is undecided, however would like
to go to university with strong desire to work in
some area of biochemistry.

ICT skills

Please mention any ICT skills and experience you have:

General ICT Skills

Interests, Leisure Activities and Achievements

County netball Basketball Dance (coaching)
Music - violin (Grade 5), piano (Grade 5), Singing (Grade 6)
I attended a Chemistry Camp last summer

I believe the particulars given above to be correct.
